

The Youths were a lot luckier than the Adults where the weather was concerned; one quick hard shower for the duration of the race was pretty good going for the middle of July!!

The race was an hour and a half and incorporated 99% of the Adults Track (some of the larger obstacles were missed out). However saying that the remaining obstacles caused no real difficulties for the young riders.

In the 125cc Class Dylan Baynton (no. 37) reigned supreme again however, Dominic Thomas (no. 32) certainly gave him a run for his money coming in a close 2nd. Jake Morgan (no. 46) came in 3rd.

The 85 Big Wheel Class was all about family, the Baggott brothers, Sam and Nathan fought an extremely close race, it was difficult to call but it was Sam who crossed the line first; both brothers completing 10 laps along with 3rd place Ben Green

In the 85 Small Wheel Group Bradley Rowland took the lead from the start and wasn't about to give it up to Jordan Ridgway who came in 2nd place followed by Isaac Atherley in 3rd. Bradley completed a very respectable 8 laps.
